## FACILITY FEES

---

The facility fee includes use of our property for a five-hour event (excluding setup). Also included are wedding coordination services to help you through the planning process and make sure your wedding day is seamless.

A typical wedding celebration begins when your guests arrive at our gazebo with panoramic views of Lake Havasu. After the ceremony, guests transition to our open-air poolside terrace for a cocktail hour where they can stay for dinner and dancing or move over to our tented, climate-controlled pavilion. Our bartenders and servers will take care of all your food and beverage needs.

Additionally, our golf course, beach and pool area are accessible to you for a private personalized photo session with your photographer.

Our Relaxation Room is available up to five hours before the ceremony for the bridal party.

Golf car limousine service is available from the parking lot to the gazebo for those guests who have impaired mobility.

Let us help you design the perfect wedding of your dreams. We specialize in one-on-one personal attention with every couple. We say "Yes" to love, and we will take you from "I Will" to "I Do!"
